Sir:

In response to the Office Action dated March 20, 2003, please amend the above identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

44. (Amended) A method of video signal processing, said method comprising:

writing video data to a buffer;

reading a portion of the video data from the buffer; and

transferring a display signal based on the portion of the video data to a display device,

wherein a frequency of the display signal is based on an amount of the video data that has not yet been read from the buffer.

See the attached Appendix for the changes made to effect the above claim.

Please add the following new claims:
